

CURING? CANCER SCREENING?
BEST OF BOTH and MORE...
FUSION⁵ Curing Light

Amazing Light for Everyday Practice

- 4000+ mW/cm²
- 3-sec cure, 10mm depth
- Super efficient and low heat
- Caries, canal and cancer detection
- Cold laser therapy

You've Got the Power and More

FUSION Curing Light is a 21st century light that is versatile, cost-effective, and valuable in everyday practice. Adding to the value is the ability to conduct oral cancer examination.

Dr. Howard Glazer

The Fusion Light is one GREAT all around light for the dental office. You get the benefits of three lights in one! Curing, Transillumination and Oral Cancer Screening. The Curing power is remarkable.

Dr. John Comisi
